py-dummy Documentation

Release 0.1.0

Tucker Beck

December 29, 2016

Contents:

1 Yeah it was...REALLY stupid! **1**
1.1 Table of Contents 1

CHAPTER 1

Yeah it was...REALLY stupid!

This project is dumb. It's really dumb. And, that's a good thing.

This project provides a dummy package that can be used in testing. It has really worthless and limited functionality, but it has thorough documentation and testing and all the good stuff you would expect to find in a full-fledged python package.

1.1 Table of Contents

1.1.1 dummy package

Submodules

dummy.add module

dummy.calc module

dummy.mul module

dummy.sub module
